Marymoor Park Vicinity

Willowmoor Farm

Once a dairy farm and country estate, the Willowmoor Farm area consists of the historic **Clise Mansion**, windmill, and a variety of heritage trees. A **concert venue and amphitheater** also make this area perfect for the outdoor summer Concerts at Marymoor series.

Off-Leash Dog Area

Situated in a wooded natural setting are 40 acres of space for dogs to run free. The off-leash area is one of the most popular dog parks in the country and is stewarded by the community non-profit group, **Serve Our Dog Areas (SODA)**.

Natural Heritage

Marymoor Park has a 300-acre protected conservation area that offers wooded brush and marshy wetlands the mouth of the Sammamish River into Lake Sammamish. More than 60 bird species are regularly found in the park, in addition to abundant flora and other wildlife. Built and cared for by Eastside Aubudon, the **Birdloop Trail** offers an excellent way to experience Marymoor's natural side.

Cycling
Built in the 1970s, the **velodrome** regularly hosts national and international-level cycling competitions. The Marymoor Velodrome Association offers educational and competition programs at the site, which serves as an outstanding training ground for cycling enthusiasts of all ages.

Through the **Dasani Blue Bike** program, easy-riding community bicycles are available to the public at no cost for use in the park. Registration is required, which can be done at the Park Office.

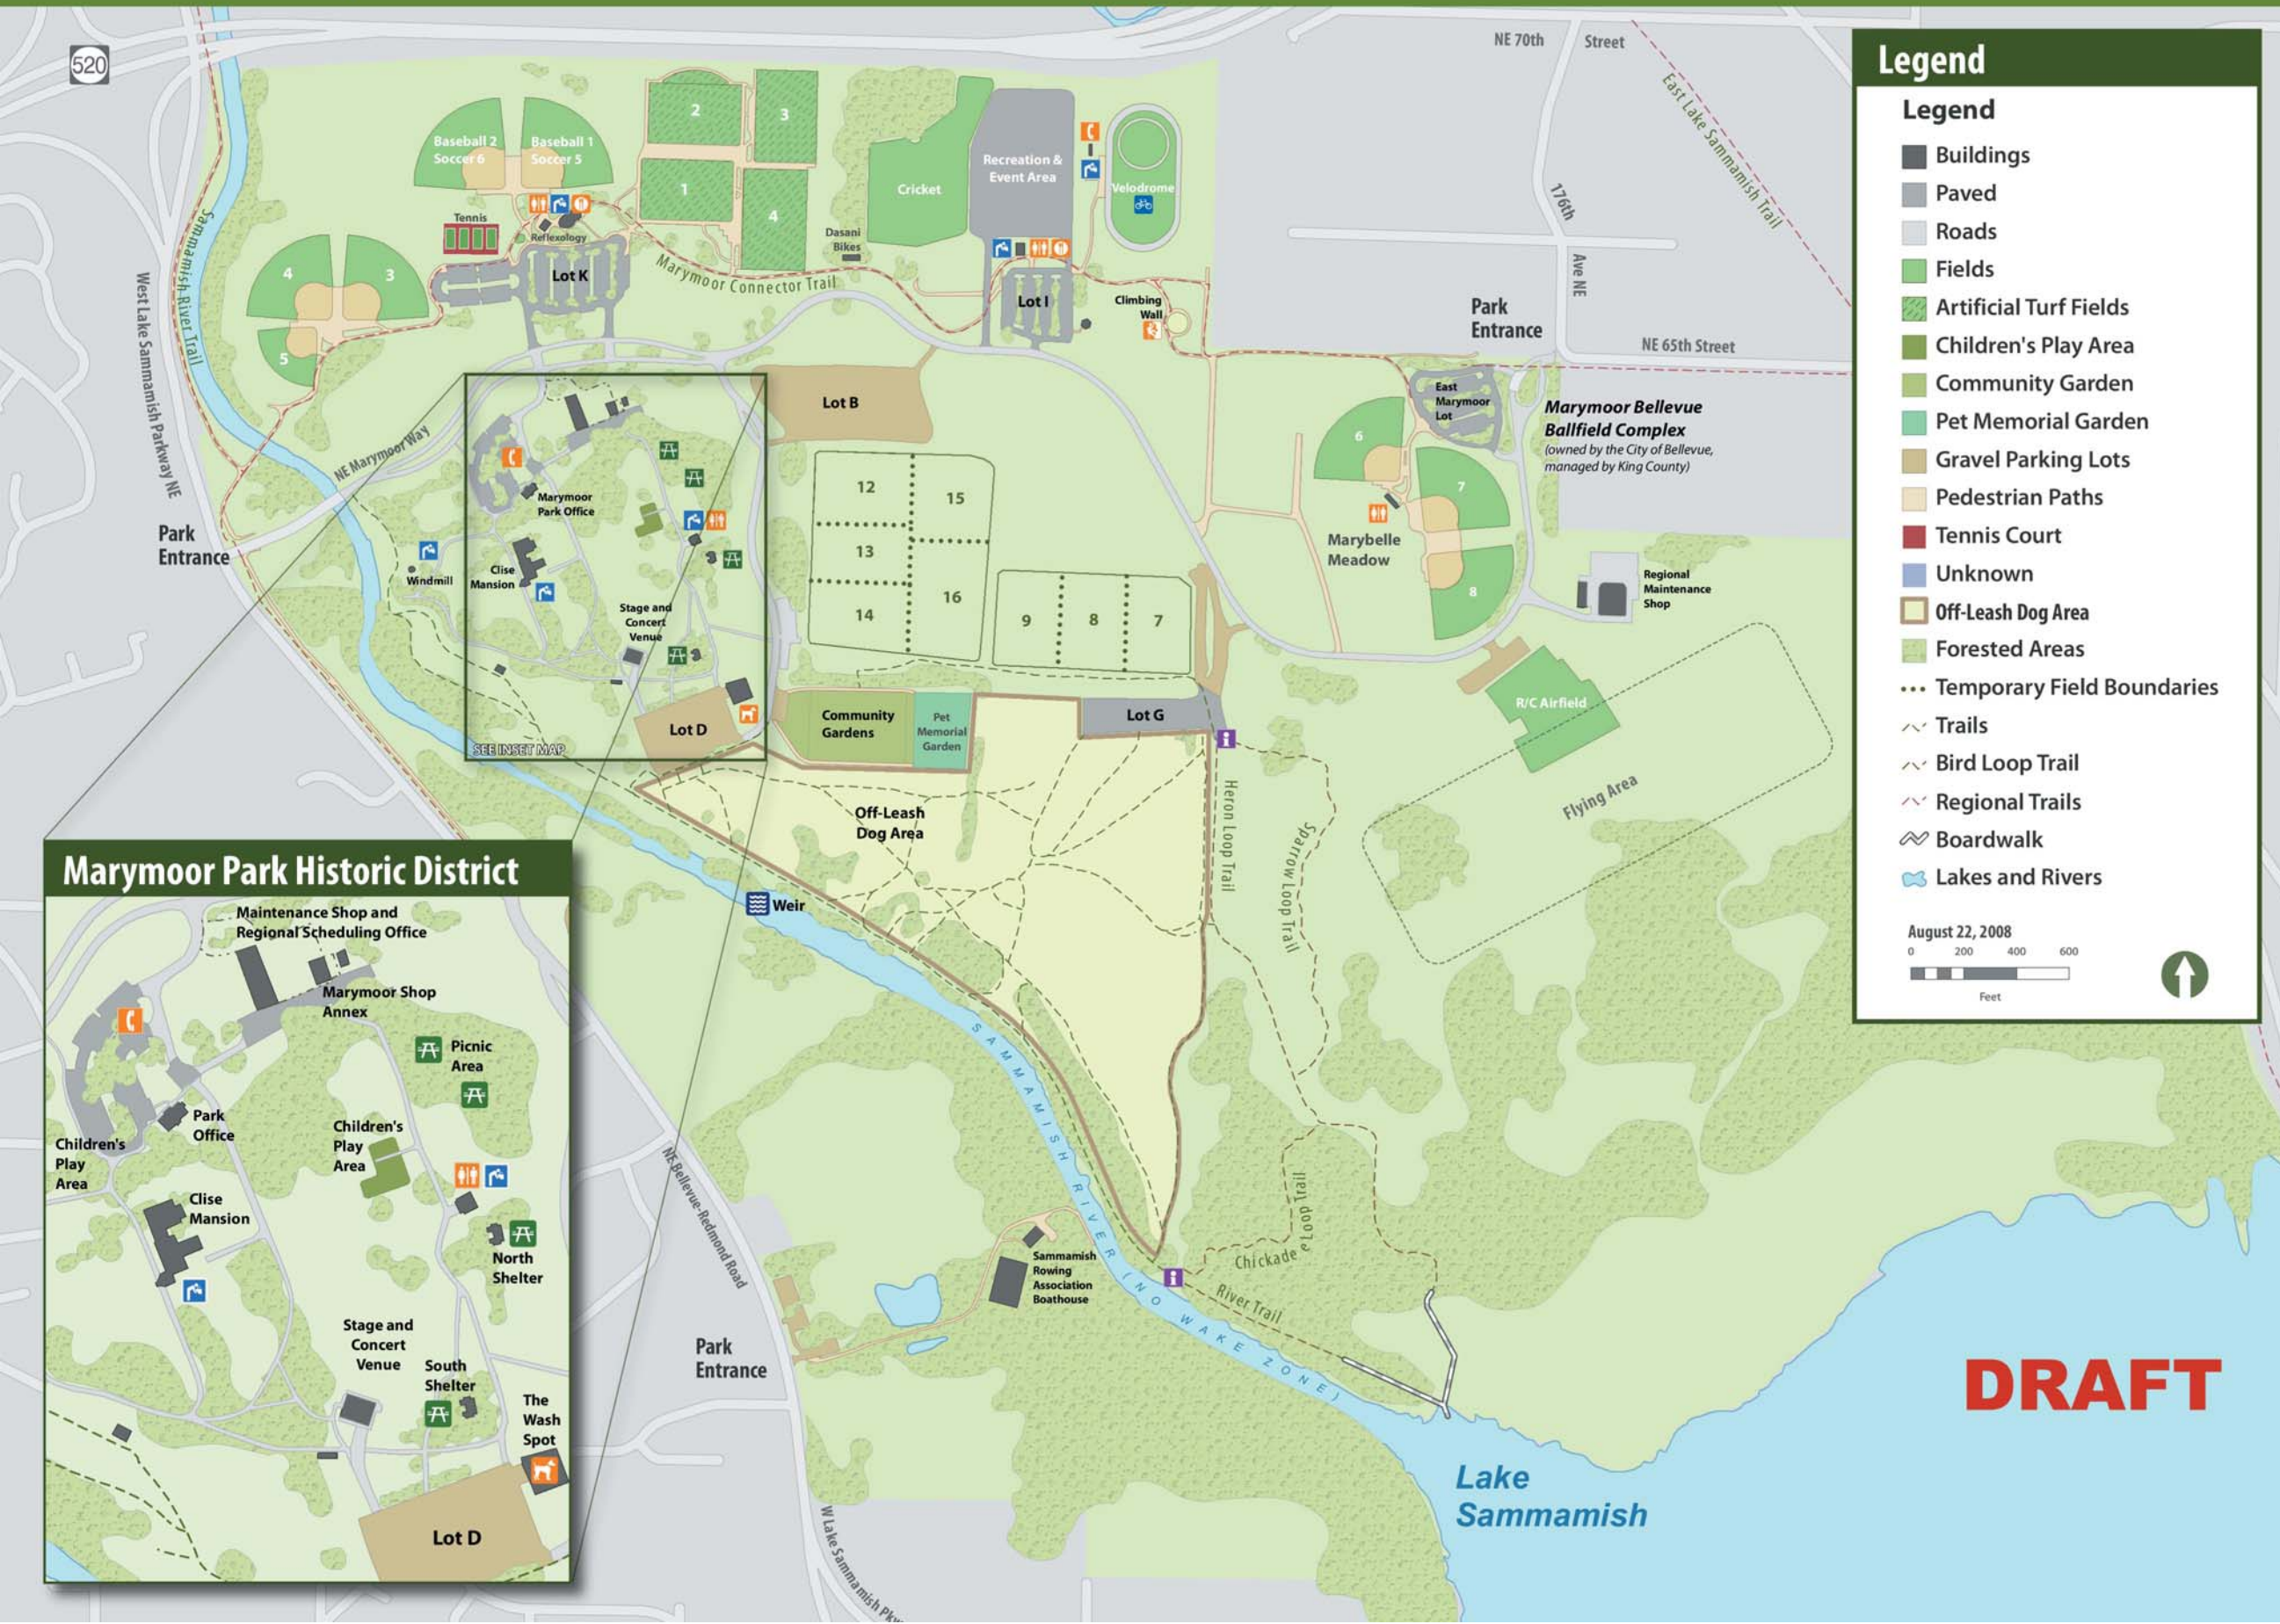

Recreation & Event Area
This large open space provides ample room for events, from Cirque du Soleil's performances under the big top tent to charity galas to a safe, flat area to learn to bicycle!

Athletics

Soccer, football, and baseball are some of the most popular activities at the park, which offers **synthetic turf and grass fields** for league play, tournaments, and pick-up games. Marymoor is also home to cricket and lacrosse fields, tennis courts, and a 45-foot, free-standing climbing rock.

Welcome to MARYMOOR PARK

Marymoor Park has been a site for countless activities over the years, from its early years as a dairy farm and country estate to its current day hub for recreational opportunities. Acquired by King County in 1960s, Marymoor Park stands at 640 acres and is one of the region's most beloved parks. Some 3 million visitors come to Marymoor each year to walk their dog, play a soccer game, ride a bicycle, or participate in a variety of other activities.

Established in 1997, Friends of Marymoor Park (FOMP) is a non-profit coalition of individuals, park user organizations and private businesses dedicated to monitoring, maintaining, and improving Marymoor Park for the benefit of the community. FOMP provides information, offers activities, and creates opportunities for the community to invest time and resources in support of the park. FOMP plays an important role in planning and advocating for the park's future and preserving its heritage and natural resources. Get involved! Contact FOMP at <http://www.fomp.org>.
